

Medela Congratulates Happy Bambino - the newest Certified Nursing Center!

 [VIEW WHAT'S NEW ARCHIVE](#)

Medela is proud to award our newest Certified Nursing Center as part of our new Partner Program. The Partner Program recognizes accounts who continued to grow their business with the support of the Medela brand. What is a Certified Nursing Center? A Certified Nursing Center is not just about nursing. These stores offer a full product assortment that allows moms a "one stop shop" for all of her breastfeeding, nursing, feeding, and educational needs. These stores offer a dedicated staff with superior customer service, Certified Product Specialists and Bra Fitters, Breastfeeding Specialist referrals from their store or Breastfeeding Specialists on staff, educational materials and classes, and so much more.

Happy Bambino was founded in 2004 by Lea Wolf and Alison Dodge, CLC. Specializing in "bellies, babies, and breastfeeding," Happy Bambino is a retail store and parenting center located in Madison, Wisconsin. The 2000 sq ft Center brings together classes, products, and support needed from pre-conception through birth & the first three years. Happy Bambino offers the area's largest array of breastfeeding support products, as well as birth & breastfeeding classes, certified bra fittings, and a weekly breastfeeding clinic.
